Traffic Management

V.O.C. - VERIFICATION OF COMPETENCY

A VOC is a method of assessment that can assist employers in verifying the competency of employees and contractors who will be required to operate plant or equipment in their workplace. VOC's also serve the purpose of ensuring the practical skills and knowledge of staff and contractors are current.

MultiSkills can also offer V.O.C. options, either on or offsite. Contact us for details.

Roller

Excavator

Dozer
