

Our Vision

Our Vision is to be recognised by students, employers, industry bodies and regulators as the premier and most trusted registered training organisation delivering high quality training programs and exceptional learning experiences.

Our Mission

- Empowering students to realise their full potential through high quality learning experiences

We do this by

- Maintaining a sustainable business through the provision of excellent service.
- Delivering high quality learning experiences using accurate, current and relevant information which encompasses quality learning and teaching practice.
- Respecting individual student needs and abilities including recognition of prior and current learning.
- Providing an environment that is free from discrimination, bullying and harassment
- Provision of a comfortable, supportive, stimulating and learning environment.
- Regular consultation with business and industry to maintain currency of training in line with industry practices and standards.
- Ensuring all staff are committed to the values and expectations of MultiSkills Training.

Our Values

<i>We demonstrate conscious and humble leadership that inspires trust</i>	<i>We deliver on our promises & we respond quickly</i>
<i>We say thank you</i>	<i>We are welcoming and inclusive</i>
<i>We are deliberate not desperate</i>	<i>We give people a go, regardless of their situation or capability</i>
<i>We are family and work as a team</i>	<i>We practice open and honest communication</i>
<i>We get things done and focus on results</i>	<i>We always strive for quality</i>
<i>We empower individuals</i>	<i>We focus on exceptional student experience</i>
<i>We treat everyone with respect and dignity</i>	<i>Be your own customer</i>
