INTERMEDIATE SCAFFOLDING (SI)
MATERIALS HOIST (HM)
PERSONNEL & MATERIALS HOIST (HP)

BASIC SCAFFOLDING (SB)
INTERMEDIATE SCAFFOLDING (SI)
MATERIALS HOIST (HM)
PERSONNEL & MATERIALS HOIST (HP)

BASIC SCAFFOLDING (SB) – 5 DAYS

LOCATION: Geelong, Werribee & Onsite

In this course, you will learn the skills required to erect, alter and dismantle modular or prefabricated scaffolding to any height. Plus, you'll also find out how to carefully install and dismantle cantilevered material hoists (up to 500kg), gin wheels, safety nets, static lines and mobile scaffolds.

Upon successful completion participants will have the ability to:

- Plan, erect and dismantle scaffolding
- Set up fall arrest systems, including safety nets
- Interpret basic scaffolding plans
- Verify equipment faults and respond appropriately
- Understand types of scaffolding equipment
- Understand load capabilities
- Maintenance requirements

CPCCLSF2001 – Licence to erect, alter and dismantle scaffolding basic level

INTERMEDIATE SCAFFOLDING (SI) – 6 DAYS

LOCATION: Geelong, Werribee & Onsite

In this Intermediate Scaffolding courses you will learn to safely perform intermediate scaffolding work including the scope of work involved with scaffolding so that they are able to plan for, select and inspect equipment for jobs. You'll also be able to efficiently set up, erect scaffold and scaffolding, and dismantle scaffold and scaffolding equipment.

Upon successful completion participants will have the ability to use:

- Cantilevered crane-loading platforms
- Cantilevered and spurred scaffolds
- Perimeter safety screens and shutters
- Barrow ramps and sloping platforms
- Tube and coupler scaffolds (including tube and coupler covered ways and gantries) for licensing purposes
- Mast climbers

CPCCLSF3001 – Licence to erect, alter and dismantle scaffolding intermediate level

PRE-REQUISITE *– You must hold your Basic Scaffolding High Risk Licence (SB)*

MATERIALS HOIST (HM) – 2 Days

LOCATION: Geelong, Werribee & Onsite

This unit specifies the skills and knowledge required to safely operate a materials hoist, that is, a hoist consisting of a car, bucket or platform cantilevered from and travelling up and down the external face of the support of a structure, which is used for hoisting goods and materials but not persons.

Upon successful completion participants will have the ability to:

- Record and maintain information relating to material hoist operations
- Understand communication techniques including bells, lights, hand signals and use of two-way radios
- Conduct material hoist operations
- Identify hazards & assess risks associated with operation
- Understand rated capacity & working load limits
- Accurately record information

CPCCLHS3002- Licence to operate a materials hoist

STUDY MATERIAL *– Students are to complete pre-training study material supplied by MultiSkills Training*

PERSONNEL & MATERIALS HOIST (HP) – 2 Days

LOCATION: Onsite Only

This unit specifies the outcomes required to operate a builder's hoist in which personnel, goods and/or materials may be hoisted, and which comprises a car, structure, machinery or other equipment associated with the hoist, and which may be a cantilever hoist, a tower hoist or a multiple winch operation.

Upon successful completion participants will have the ability to:

- Conduct personnel and materials hoist operations
- Shut down and secure hoist
- Ensure the hoist is appropriate to the load/s and workplace conditions
- The weight of the load is determined according to procedures
- Plan work
- Conduct routine checks

CPCCLHS3001 - Licence to operate a personnel and materials hoist

STUDY MATERIAL *– Students are to complete pre-training study material supplied by MultiSkills Training*

NATIONALLY RECOGNISED TRAINING

WorkSafe VICTORIA

TOID: 40846 TRADE TRAINING GROUP PTY LTD

IMPORTANT INFORMATION

ASSESSMENT METHOD: Written activities, verbal questions, observation and practical demonstration

DELIVERY MODE: Face to Face

OBTAINING YOUR LICENCE: The licence to perform High Risk Work is issued by WorkSafe Victoria. When the assessor deems you competent, you will need to lodge your licence application and Notice of Assessment within 60 days to obtain a high risk work licence. You can now apply, renew or amend a high risk work licence online at: www.myworksafe.vic.gov.au.

You will receive an email from myWorkSafe that contains your Training ID.

The email will contain a link that allows you to download the Notice of Assessment (NOA) to enable you to lodge your licence application. All licence applications incur a fee payable to WorkSafe Victoria. Further details can be found at: www.worksafe.vic.gov.au/high-risk-work-licence or by calling WorkSafe on 1300 852 562.
